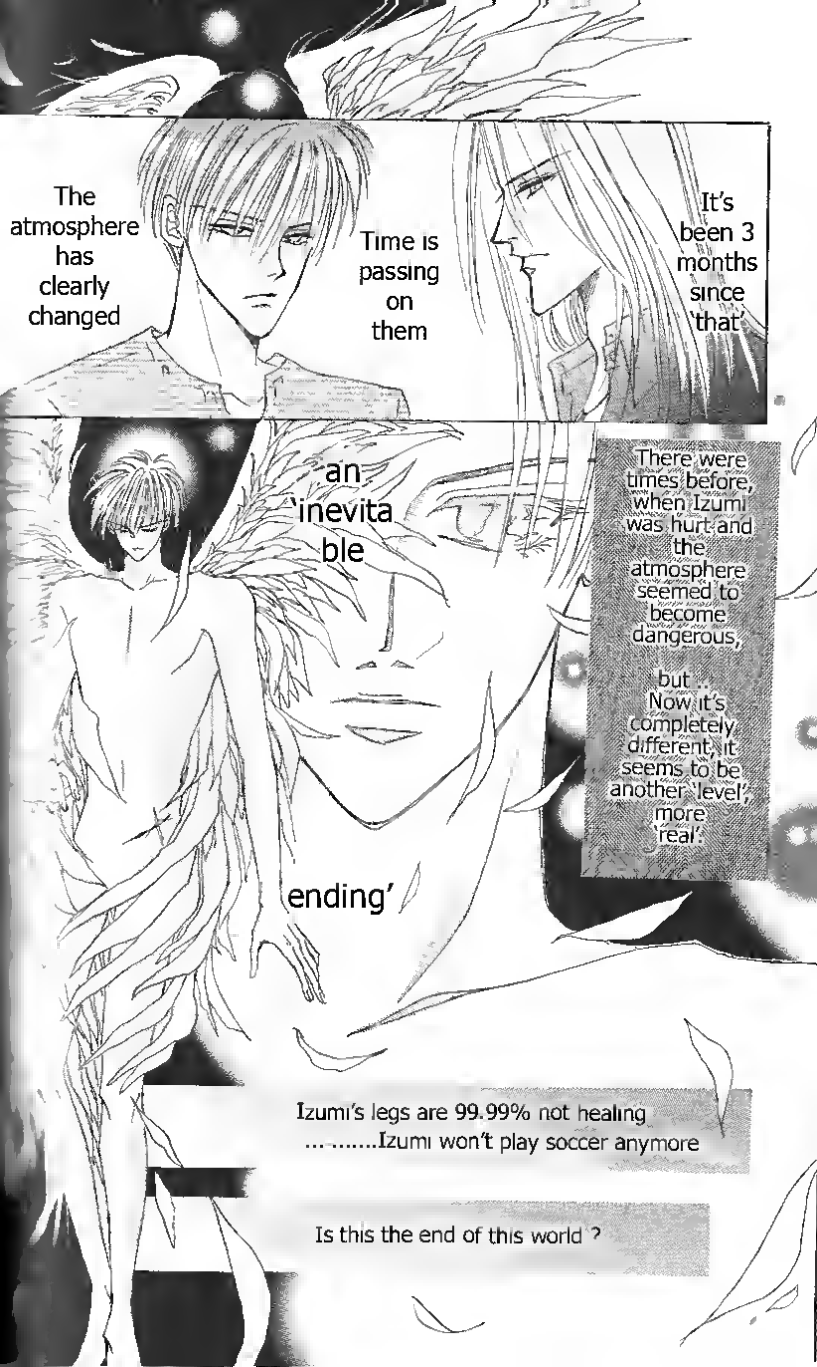
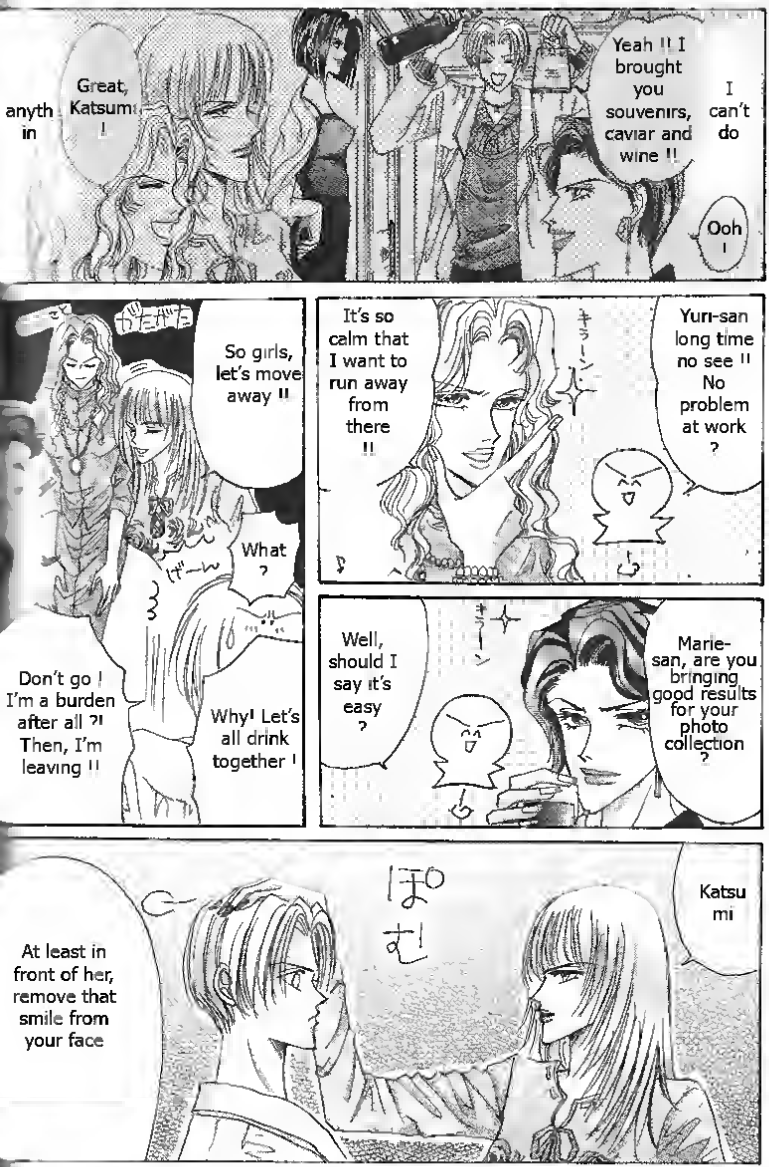
む！
Finish eating and leave quickly
And why the hell are you eating here ?
Because this is Taku-chan's cooking !!
My bed should have been delivered today !!
This country's deliverers are bad !!
I'll have them deliver it tomorrow !!



The atmosphere has clearly changed
Time is passing on them
It's been 3 months since 'that'
an 'inevita ble ending'
There were times before, when Izumi was hurt and the atmosphere seemed to become dangerous,
but Now it's completely different, it seems to be another 'level', more 'real'.
Izumi's legs are 99.99% not healing
.....Izumi won't play soccer anymore
Is this the end of this world ?

きゃはははは
Moreover, Yuri-san and Marie-san are here, it's already full!!
yeah do it, do it
No man around
If he pisses me I'll kick his ass!
All the same!
What, Katsumi!? But I told you that I share a room with Aya-san!!
Hm?
Did something happen?
Wouldn't you allow a friend? Neh? Please?
Oh, that must be great...
There is no God
The only role that was given to me, is to watch the end of the world coming
It's alright Katsumi, come carefully.
Bring with you wine and gifts
Everyone! Katsumi wants to join us, is it okay?!
...Ah, Miyako-san?
Can I drop in?
Unable to stop, unable to help
There isn't anything I can do
... Thank you



anyth in
Great, Katsum !
Yeah !! I brought you souvenirs, caviar and wine !!
I can't do
Ooh !
So girls, let's move away !!
What ?
Don't go ! I'm a burden after all ?! Then, I'm leaving !!
Why! Let's all drink together !
It's so calm that I want to run away from there !!
Yuri-san long time no see !! No problem at work ?
Well, should I say it's easy ?
Marie-san, are you bringing good results for your photo collection ?
At least in front of her, remove that smile from your face
ぽむ!
Katsu mi

Don't worry it doesn't, it doesn't !
So just have a little rest !!
Oh no, Aya-san
No one can beat those girls .....
Damn !
This is my natural face, does it look faked ?
Oh ?

It's alright
You're doing too much
About matters that nothing or no one can solve
Anything that has to be done
It's alright, I am here to look after you
You're the one doing it, I know

You don't have to force yourself in front of me!! Don't keep it all inside!! Cry!!
I am here for you so
Why
Why
Did it become excessively
... too late to notice it
Am I such an idiot ?
Painful
no one can beat women
Really

I have this gentle hideout to run to
But for them, there isn't

Is it already 4 AM ?

You're still awake, I thought you'd be asleep

I was wondering if I'll take this third pack
The pills are becoming ineffective. I took the amount of 2 days ...
Yeah ...
There are medicines that would make me sleep immediately... but the side-effects are horrible
Again ?
It's already difficult enough with these ones
.....
Kôji
I started to lose memory

Since 'that day'
You never touched me again
What
Why are you looking at me with those eyes ?
What is it...

I was lying
Cold touch ...
I thought I had done the most senseless thing
Izumi's
Even if I was happy about your telling me that ?
"I give you back your arm so give me back my legs !!"
When I told you I'd give you back your arm, I was lying
Yeah
Trying to exchange you for this
true speech

This way
I want to melt into you
This way... we'll merge together
I don't want to think about anything
"The one 'true love'
in a lifetime
You said it once...
"We'll never be one"
"For this person you should be able of anything"

So that...
"If you become a burden to him,
you should do anything
to stop being a burden"
Can't we...?
"If you don't want to leave him,
Become one
you should think about any means to not leave him"
There won't be... anymore anxiety... worry

ts
"When you truly love someone, nothing should be impossible"
"If you can't do as much as that, then what is this 'one love in a lifetime'"
Is it... impossible?
"I could achieve anything".
This is just indulging you
Kôji

If I can't do as much as that
What is this "one love in a lifetime" ?!
No, it is possible
but
To become one

The only detail is that it won't be with me

ka

I'll do it hard as you wish
barks
You want it hectic don't you ?
What a luck for you that 'place' is still safe
It would've been horrible if you couldn't feel anything there too
But it's great you can at least have sex !!

I'd better tie you up...You like it this way
But is it enough to compare to me ?
Training the upper part of your body gave results,

..

Why ?
You are lying
Because I cried to get your indulgence ?
I just
you
Do you think I'm 'using' you ? ...If so, you're wrong
Annoying

Should we use this ?
You won't be satisfied only by my fingers ? And you already ate 'mine'
Don't you want to die while 'coming' ?
Ah..
that's no good, returning to sanity, everything is withered
But that's natural, for a couple of men... Thank god we're returning
I'd like to fulfil your last wish and fuck you but...
Won't the consequence be infidelity and murder ?
What's this ? We're not in a TV soap
'When you truly love someone, nothing should be impossible' ?
'If you can't do as much as that, then what is this 'one love in a lifetime' ?
Is love impossible without efforts ? Then I don't need that
And if I make 'efforts' there'll never be an end ?
barks barks
I'm getting off, it's too troublesome, too suffocating
Really annoying, I'm tired
I cooled off at a stretch.
Don't you feel like you got off me too ? Like you're just keeping faith ? We always get tired of a conquest.

Shall I drag out your organs from here ?

You can ignore me as long as you want, I'll definitely eat Taku-chan's breakfast !!

This is the end
A labyrinth with no enter and no exit, such a common-place story

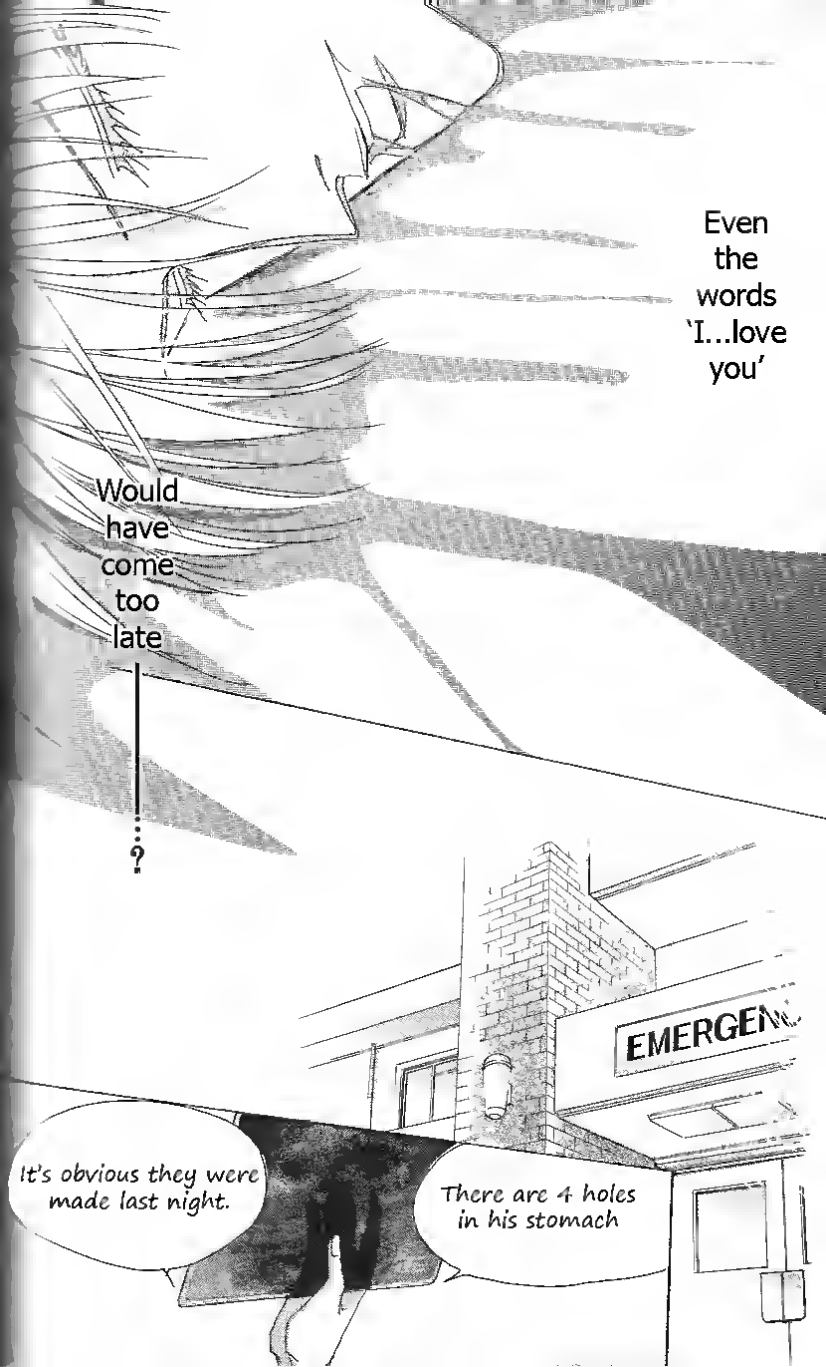
you

Kôji

Since what
has become
of my legs
[me] you
couldn't
trust me,
so it was
unavoidable ?

Since
what
has
become
of me...



Even the words 'I...love you'
Would have come too late
?
EMERGEN
It's obvious they were made last night.
There are 4 holes in his stomach

.....
In the case this was not a 'rape' but a 'play' he will need mental care ?
It can happen easily after violent stress or a shock.
Moreover his right shoulder was put out There are several marks of hits and tight binding that caused inner bleeding
La... Last night...
There was also semen on his body that is not his...
Stop !!
That's enough.
It's a 'play' !!
No need for that care !!
Damn ⋮
I...I..
..
Kôji bastard, where did you go !!
Katsu mi-kun...
Damn!! What does that mean, rape or play !!

I was just thinking that I would stop playing a role or being the useless one !!
Always watching, lamenting with the others, a spectator taking no responsibility, I don't want this anymore !!
Katsumi-kun !! Tell me !!
Trying to lead people's life, it's so arrogant but anyway !!
.....It started with Kôji's love at the first sight.
Tell me how such a thing could happen, please !!
I am the one who's been next to Nanjô-kun without knowing anything, I don't want to be a bystander !!

When he was in primary school, he met Izumi for the first time and thought he was a girl.
He kept believing it until they met again 6 years after, he realized it was a man but...
But Kôji fell in love with Izumi.
.....
When he got to know him, he quickly started to love him.
Izumi Takuto is that kind of person... .....!!
Of course, Izumi refused him at first, but a lot of things occurred
Their tie grew dangerous but stronger...
But... This time...
Who... is...
The one who run on Izumi in that accident. ..!!
... Nanjô Akihito.

Out of several reasons, a revenge on Kôji or I don't know, but that wasn't an accident
Kôji's cut arm was also because of his brothers, when he realized they would
Those horrible things he did, a shock so violent Izumi spit blood... 'Abandon' ? 'Quit' ?
But... It's strange
I thought the unthinkable, but his passport is still here...
... Bank ...
That's Izumi's request
The only ones knowing are my father and I, Hirose and Akihito... the police and Izumi himself...
That's the top of the top secrets you shouldn't learn about...
But... Then is it kept secret only from Nanjô-kun...?
Izumi-kun also...?
That... was Nanjô-kun...
. ... What ?!

I'll call the bank too see if Nanjô-kun took money from his account !!
And Narita ...
I'll contact Narita airport to make sure that if someone looking like Nanjô-kun is seen, he will be stopped!!
Ta...
Ka-cha... n
Impos sible
He regained consciousness
There is certainly a reason behind
He would be planning that ?! Hurting him that much in that order ?! But...
But...
Are you an acquaintance of Mr. Takuto Izumi ?

Hole in the stomach ...?
What's that... frail stomach. ..
I'll be disqualif ied from soccer... ...

That 'Izumi' is... asking me to 'help' him ?
He's.. ...
in such a conditi on...!!
That
Izumi
is in such. ..

How much ?
There was money taken
This is too awful !!
Kôji !!
He took everything. ..Around 20.000.000 yen
With that he cannot offer the big life
I'll start investigations. ..No, I'll report him as a criminal and have the police look for him !!
If he doesn't show up after 2 days
Today is one day...
!
He's no singer anymore !!
And moreover, he may really become a criminal soon !!
This would be bad !! It would hurt his singing career...
Criminal. ..searched?!

This would make no sense, it won't bring Izumi-kun's legs back !!
This...this makes no sense at all...!!
Nanjô-kun must certainly know Izumi-kun's feelings ?!
You mean, he could have gone to take revenge on Akihito-san ?!
Wait please !!
Did he do that to Izumi
...Then why
You certainly saw it too, Manager Takasaka ?!
I had to stop him so many times
The way Kôji changed since he met Izumi !! He a completely different person !!
But he never stopped, whatever refusal or obstacle there was.
A Kôji burning with such a fever for Izumi Takuto [a man] that he was screaming and crying !! The picture of a love turning into madness !!
Ah...
Then why do you think he'd do such a thing so suddenly ?

I don't know...I don't understand...
But...
But I want to trust Nanjô-kun !!
.....
Me neither ...
I can't understand ...
But...
ガチャ
I'm always too late when something happen... always... always like that...
Each time I think the worst happened, it starts again..... This time is definitely ...
Definitely the most serious.. .!!

Help me...
He probably never showed it to anyone
That face
Where did you go, Kôji !!
Worst man !!

Kôji !!
!!
I was just thinking we didn't see him since a while
Again ?!
What... Kôji disappeared ? Three days ago ?
As you said, he'll be back again soon.
But here in America a missing person is a common thing
In Japan a guy like him would be found at once
This time...is different from usual ... We asked for an investigation
.....And Izumi-kun ?
Yeah...
..... Kôji's doing ?
He's at the hospital... for a while...
So...We're in stand by for the time being ?
Well
You're so shrewd, Takafumi ...

Is it that serious ...?
Leave the band
Wh... What ?!
You can... wait
To 'This world' ?
Come back
Yeah
To 'Music' ?
Or to 'This world' [Izumi-kun] ?
There are chances that he never comes back.
You can also leave if you want, you have the company's approval and won't be bothered hereafter.
I won't work without Kôji
So, I will wait
And then
Kai was clever when he left.

When Izumi was discharg ed form hospital..
...ya
What ? ...ah Izumi
When I first opened my eyes
Did I say anything strange ?
about Kôji's disappe arance
He naturally knew
Shibuya
After 'that' time
Why ?
Didn't say Kôji's name
No...noth ing
Izumi
When he was in the hospital
Really ?
It seemed that he was always about to part from his mind
Then it's alright
It was just a dream.
Sanity
I have... to go back to training .....quic kly
Because my right leg's... strengthe ning
And madness
Is a problem

Seemed to come and go
Izumi-kun !!
Did your body recover ?
I'm sorry, I'm alright now.
Just as a precaution, we'll have a complete examination
We'll start from the basics again.
I I really am all right !!
I'd like to go back to rehabilitation quickly..... !!
This is
A precaution
In his eyes
Yes

Is Izumi-kun's hospitalization related to his disappearance ?
I saw the newspaper
.....Does it affect his treatment ?
Yes...

.....
Loosing an important person... When the one support in your life suddenly disappears, there are mental damages
When the "mind" [heart] is torn apart, it has an effect on the "body"
Mind
Torn
apart

woof

Yo !
Where's this aristocrat coming from ? A newcomer !!
Maybe a Hollywood star ?
hehehe

That's no good ! I have to teach you civility...
Oh oh, the big posture eh ?

That guy's strong !!
Eh, someone come here, that bastard...

The princess came out
Is it already finished ? How boring...
You
You've been spending lot of time here recently, your face is new and out of place
The rumours were true you're showy
